

MAY PRAYER POINTS / WEEK 3

“And pray in the Spirit on all occasions with all kinds of prayers and requests. With this in mind, be alert and always keep on praying for all the Lord’s people.” — Ephesians 6:18

Thank you for PRAYING over these requests this week.

Prayer Points for this third week of May...

States of interest for this week

This week we are focusing on these states:

Gujarat, Rajasthan, Haryana, Punjab, Nagaland and the country of Sri Lanka.

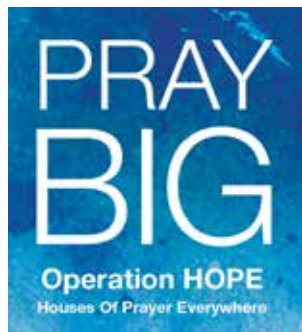

As you pray over the prayer points, focus on these states listed above.

We are highlighting Sri Lanka this week...

1. Please pray for the country of Sri Lanka.

The country is in complete economic and political devastation. There are **shortages of food, gas and all necessities**. A new prime minister was just appointed to take over. Please pray for this situation to turn around. IGL has church planters and a church/school base there. Pray for God’s provision and care for the believers who live there.

SRI LANKA

2. Please continue to pray for India as the heat continues to surge.

3. Please pray

for the hearts and minds of local and national **Indian government officials**, that their eyes would be opened and that Hindutva and the RSS would begin to lose its influential power. Pray that the people in India would **see this as an evil ideology** and reject it.

4. Please pray

for village leaders and people, where IGL church planters have just begun working. **Pray for opportunities, for open hearts to conversations** and that any influence of Hindu radicals would quickly deteriorate.

5. Please pray for our **Bible college students** who recently graduated, for God's direction, that they will wait on Him, and then have peace provision, as they go where He leads.

6. Please pray for all the **parents of children** who are attending or will start attending a Children's Gospel Club, for salvation to come to those who don't know Christ.

★ **7. Please continue to pray** for the **FCRA renewal**. The Indian Government extended the deadline to June 30th. This is an important license that must be renewed every year but is used by the Government as a way to control nonprofits.
